120Hz/1ms

Smooth Gameplay

Experience the ultimate gaming performance with a refresh rate of 120Hz and an ultra-fast MPRT of 1ms. Say goodbye to motion blur and enjoy incredibly smooth visuals that allow you to react swiftly in fast-paced games.

Enhanced Connectivity

Connect seamlessly with HDMI and DP input ports, ensuring compatibility with a wide range of gaming devices. Switch between gaming consoles and PCs effortlessly for uninterrupted gaming sessions.

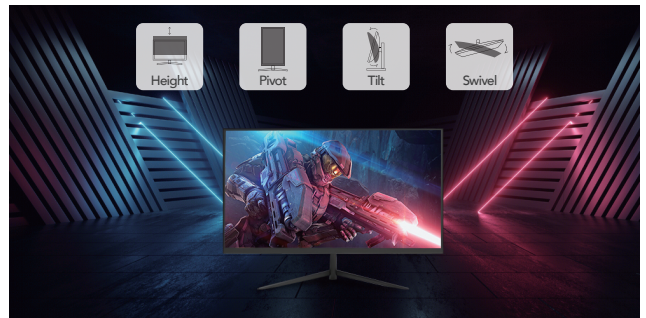

Adaptive Sync Technology

Our gaming monitor is equipped with both FreeSync and G-Sync technologies. Say goodbye to screen tearing and stuttering, as these features synchronize the monitor's refresh rate with your graphics card, delivering a tear-free and fluid gaming experience.

Eye-Care Technology

Take care of your eyes with our built-in eye-care technology, including flicker-free display and a low blue light mode. Say goodbye to eye strain and fatigue, allowing you to game comfortably for extended periods without compromising your visual health.

Ergonomic Design

Find your perfect gaming position with the help of our enhanced stand. Tilt, swivel, pivot, and adjust the height to achieve optimal comfort and ergonomics, ensuring that you can focus on gaming without any distractions.
