

27" IPS UHD

Frameless Business Monitor

PM27DUI-60Hz

- 27" IPS panel featuring 3840\*2160 resolution
- 1.07B colors, 99% sRGB color gamut
- HDR400, brightness 300 cd/m<sup>2</sup> and contrast ratio 1000:1
- HDMI & DP inputs
- 60Hz & 4ms response time

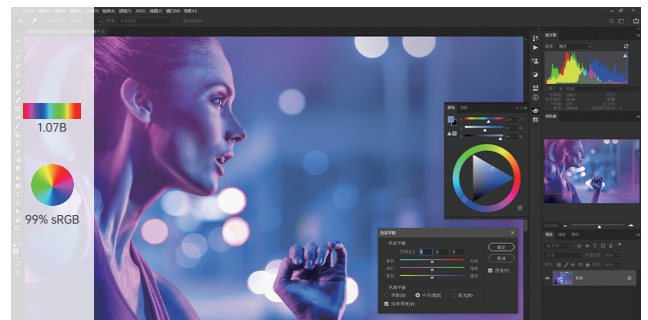

Features

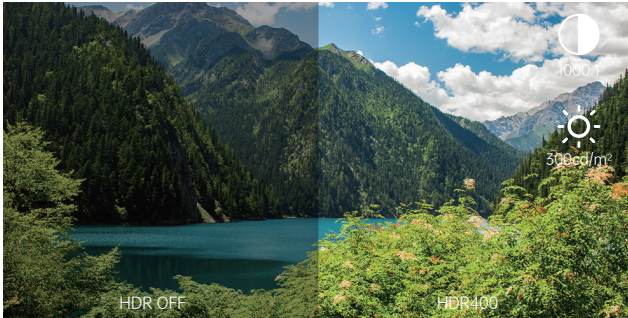

**Crystal Clear Visuals**

Experience stunning clarity and detail with the 27-inch IPS panel and UHD resolution. Enjoy sharp images and text, making it perfect for tasks that require high precision and attention to detail.

**Impressive Color Accuracy**

Our business monitor boasts a color performance of 1.07 billion colors, ensuring accurate and vibrant visuals. With 99% sRGB color gamut, you can expect true-to-life color reproduction, enhancing your visual experience.

### Enhanced Brightness and Contrast

With a brightness of 300 cd/m<sup>2</sup> and a contrast ratio of 1000:1, our monitor delivers bright and vivid visuals, allowing you to view content with exceptional clarity. The HDR400 support further enhances the contrast and brings out the details in both bright and dark scenes.

### Versatile Connectivity

Connect your devices seamlessly with the HDMI and DP ports. Whether you need to connect your laptop, desktop, or other devices, our monitor provides convenient and reliable connectivity.

### Smooth and Responsive Performance

Enjoy smooth and responsive performance with a refresh rate of 60Hz and a response time of 4ms. Whether you're working on spreadsheets, creating presentations, or browsing the web, our monitor ensures a seamless and lag-free experience.

### Eye-Care Technology and Enhanced Stand

Take care of your eyes during long work hours with the flicker-free and low blue light mode. This reduces eye strain and fatigue, allowing you to work comfortably for extended periods. The enhanced stand offers tilt, swivel, pivot, and height adjustment options, enabling you to find the perfect ergonomic position for maximum comfort.
